PROFESSIONAL EXPERIENCE

UX Designer

Stateryou (Remote)

Feb 2025 – Present

- Created intuitive wire-frames and hi-fi prototypes in Figma for user-centric solutions
- Translated concepts into pixel-perfect UI aligned with brand goals and accessibility standards
- Sketched ideas to visualize concepts and collaborated with dev teams for implementation
- Focused on designing inclusive, accessible, and modern interfaces

Classroom Learning Assistant

Sacred Heart University (Fairfield, CT)

May 2024 – Jun 2024

- Assisted instructors with course planning and student engagement
- Led tutoring sessions and explained technical concepts clearly
- Reviewed assignments and gave helpful feedback to support student learning
- Encouraged collaboration and built a strong learning environment

Cloud Application Developer Intern

Smart Bridge (Hyderabad, India)

Sep 2022 – Oct 2022

- Built responsive websites using HTML, CSS, and JavaScript
- Implemented interactive UI elements and ensured smooth user journeys
- Integrated front-end features with cloud-based services for dynamic content
- Focused on performance optimization and cross-browser compatibility

PROJECTS

Popnwrap – Balloon Bouquet Store

- Developed a full-stack React app showcasing an interactive balloon shopping experience
- Built and integrated both front-end and back-end systems for seamless order management

Sanchari – AI Travel Planner

- Designed an app with AI-powered trip recommendations and interactive mapping
- Enabled a travel community to share and discover experiences

Art Gallery Management System

- Created a UI for organizing gallery artworks and visitor data
- Improved visual experience and back-end coordination for galleries

IPL First Innings Prediction (ML)

- Designed the user interface for a linear regression model to predict IPL scores
- Simplified complex data insights into user-friendly visuals for analysts

CSE Department Website

- Built the front-end UI to showcase faculty and student profiles
- Designed with secure login and easy navigation for academic users

CERTIFICATIONS
